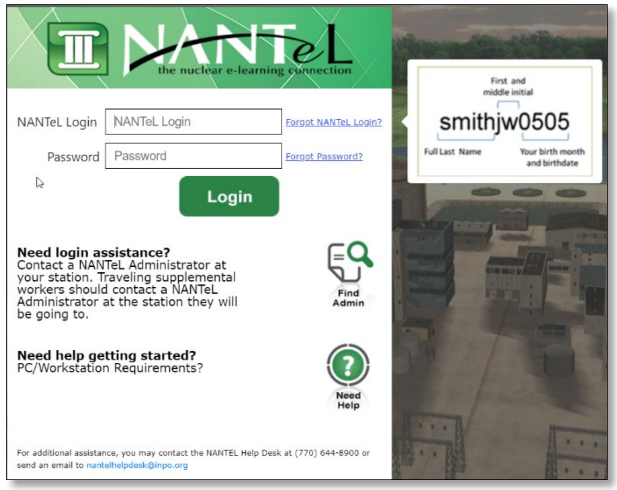
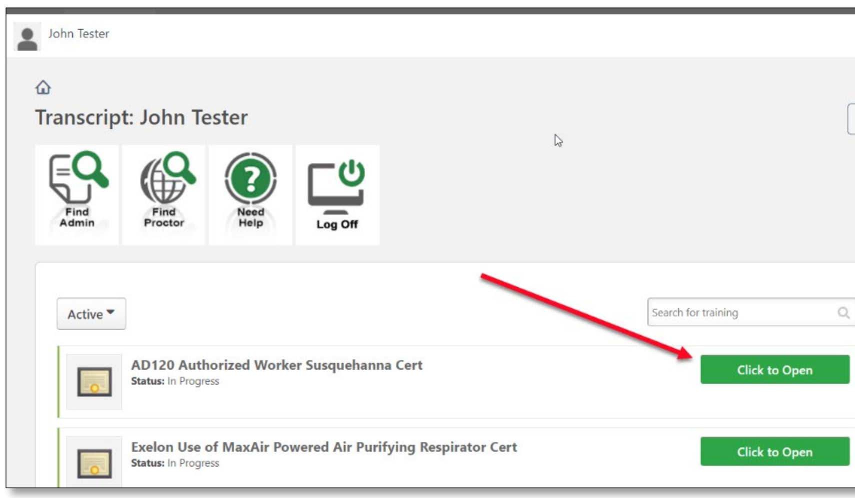
Student Quick Guide

Step 1: Login to NANTeL

The NANTeL Login and Password will be provided by the administrator.

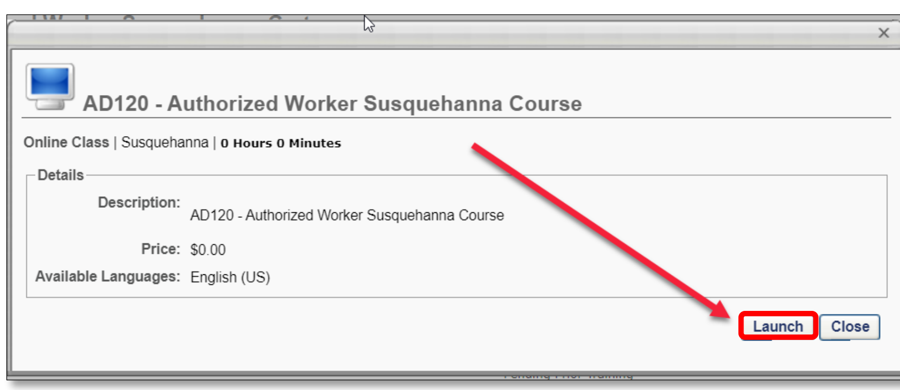


Step 2: Open the assigned certification by clicking on the green button



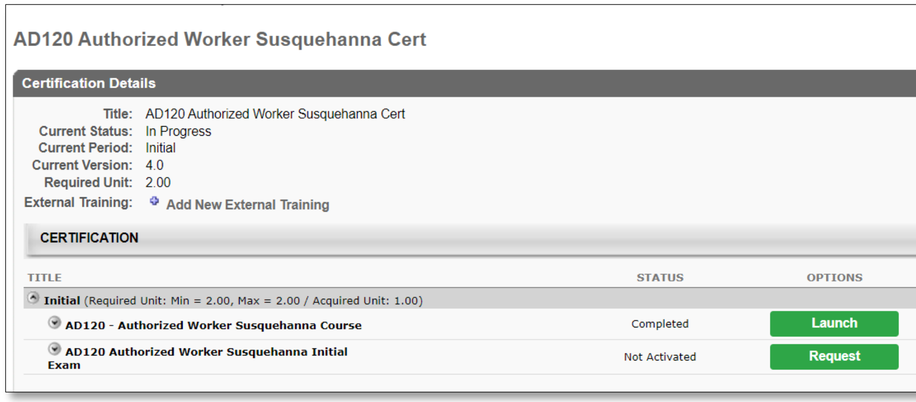
Step 4: Launch the training item

Follow the online instructions to complete the training item.



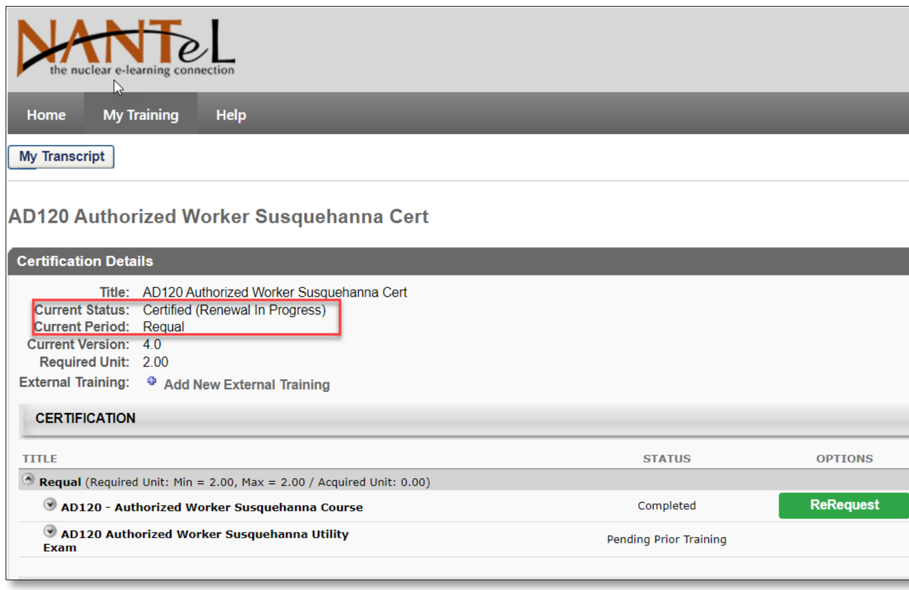
Rev. Date: September 17, 2021
Rev. By: Holly Ferriss

Step 5: Repeat steps 3 & 4 for each item in the current certification



Upon successfully passing the exam, the certification status will update to “Certified” or “Certified (Renewal In Progress).”

Of note, the page may need to be reloaded/refreshed for this to update immediately.



The Certification Details Page will also show the history of the certification and will reflect the most recent completion.
